

Skywarn Weather Spotter Training

February 26th, 6:30-8:30 PM
Fireman's Training Center
1101 US Highway 290 W
Brenham, TX 77833

National Weather Service will present how to identify and report severe weather to the NWS. Including tornadoes, damaging winds and flooding. Learn what different cloud formations can tell you about thunderstorm severity. The training is **free and open to the public**. For more information contact Brian Scheffer at **979-337-7314**.
